SPONSORSHIP OPPORTUNITIES

Dear Friend,

As you know, I believe Strawberry Fields is the premier local charity doing outstanding work in our community. For more than half a century, they have been dedicated to empowering individuals and enriching lives.

I've attached the giving levels for sponsorship of this year's Summer Garden Party on Saturday, May 31, 2025. There's no better way to amplify your social capital than by supporting Strawberry Fields with a sponsorship gift.

With your sponsorship, you'll not only make a direct impact—you'll also have the opportunity to invite guests and introduce them to the vital work of Strawberry Fields. This event has become a cornerstone of support for this exceptional organization, thanks to generous friends like you.

Your gift truly matters. It strengthens our community and changes lives.

Love,

Bruce and Susan
